I'm gonna give you a valentine.  
I'm gonna give you a valentine.  
Because you're a friend of mine,  
I'm gonna give you a valentine.

It's gonna have hearts and candy.  
It's gonna look so dandy.  
Because you're a friend of mine,  
I'm gonna give you valentine.

Oh, V-a-l-e-n-t-i-n-e  
You're my valentine.  
I'm gonna give you a valentine  
Because you're a friend of mine.

It's gonna make you happy.  
It's gonna look so snappy.  
Because you're a friend of mine,  
I'm gonna give you valentine.

Oh, V-a-l-e-n-t-i-n-e  
You're my valentine.  
I'm gonna give you a valentine  
Because you're a friend of mine.

I'm gonna give you a valentine.
